ORDER

MOTION	RULING
<p>Date Filed: March 21, 2000; March 22, 2000 Docket: #33, 34 <input checked="" type="checkbox"/> Pliffs <input checked="" type="checkbox"/> Defts</p> <p>Title: Memorandum of Law in Support of Defendants' Request to Preclude Plaintiffs from Announcing Dr. Boris Rojas as their New Expert Witness; Opposition to Defendants' Motion to Eliminate Plaintiff's Key Medical Expert Witness</p>	<p>As the Court does not have a copy of the expert report of Plaintiff's new expert, Dr. Boris Rojas, the Court cannot decide this motion. However, if Plaintiff files its expert report on or before May 26, 2000, Defendants SHALL take Dr. Rojas' deposition on June 1, 2000. If Plaintiff's report is not filed by this date both with the Court and with counsel for Defendant, given the long delay in Plaintiff's filing of the report and the proximity of the trial date, Plaintiff's expert will not be allowed to testify at trial.</p>
